

ProxyEdge®: Simplify proxy voting from start to finish

MANAGE, TRACK, EXECUTE AND REPORT EVERY VOTE ON A SINGLE PLATFORM

- Tap into the world's largest proxy voting network.
- Save time and effort with automated account setup.
- Establish standing vote instructions at the proposal, meeting type and market level.
- Never miss a vote, thanks to convenient alerts and notifications.
- Gain easy access to integrated research, proprietary analytics and third-party recommendations.
- Satisfy CSA requirements and adhere to due diligence best practices.

STEP UP TO NEXT-GENERATION PROXY VOTING

Add more value without adding more work. We make it easy to streamline the management of every meeting, regardless of market or custodian. Our enhanced ProxyEdge® platform simplifies and automates the entire process from voting to reporting, including record maintenance and vote disclosure.

Create and execute informed vote instructions using data-driven, customizable templates, third-party research and recommendations, or your own policy guidelines. Flag key meetings, markets, accounts or proposals with advanced custom alerts. Automated account setup enables you to add new custodial banks and brokers with ease. Now you can offer better service to your clients—and be confident in every vote, every time.

PUT INDEPENDENT INSIGHT AT YOUR FINGERTIPS

ProxyEdge is purpose-built to provide direct access to independent research, helping you simplify due diligence and maximize compliance. Our agnostic platform seamlessly integrates subscription-based research reports and vote recommendations from leading research and advisory firms, as well as Broadridge's own proprietary vote instruction and research tool.

Because Broadridge distributes and processes 99% of all proxies, we deliver a unique, independent view of the entire industry. Broadridge® Proxy Policies and Insights give you access to unmatched insight and analysis based on historical proxy data and public regulatory filings. With PPI, you can identify and benchmark your policies against key industry trends to ensure every decision aligns with client best interests.
