Making the Most of Social Security

This educational presentation focuses on sound income-enhancing strategies that may help you:

- ✓ Determine the best age to claim Social Security benefits
- ✓ Be aware of new rules on Social Security claiming strategies resulting from the Bipartisan Budget Act of 2015
- ✓ Understand how the “do over” and “start, stop, restart” strategies work
- ✓ Make informed retirement plan distribution decisions
- ✓ Create a “do-it-yourself” personal pension

And that’s just for starters!

This FREE dining invitation is open to a limited number of attendees. You and up to three of your guests are invited to attend. **Reservations are on a first-come, first-served basis.** Please call this number now to reserve your place(s) while seating is still available: **xxx-xxx-xxxx**
